STANDARD SET & OPTIONAL ITEMS

Cabinet, top, basin, faucet and mirror. Separate shelves, side towers and accessory stands need quotation confirmation. Styling accessories and installation are excluded.

SUPPLIER CONFIRMATION REQUIRED BEFORE INSTALLATION

Obtain an approved drawing for the ordered configuration: cabinet height where absent; mounting points, fixings and wall-load requirements; water supply, drain and faucet rough-ins; required clearances; mirror voltage, wattage, grounding and applicable electrical ratings. These details are not established by the available catalog pages.

Custom width, depth and height are available by quotation. Do not scale the photograph or use these approximate inch conversions to drill, fabricate, rough-in or order fittings. The installer must review the final technical specification.
