**CONSTRUCTION**

The catalog specifies 304 stainless steel with a metal honeycomb core for this range. Model construction is confirmed in your quote.

**STANDARD SET & OPTIONAL ITEMS**

Cabinet, top, basin, faucet and mirror. Separate shelves, side towers and accessory stands need quotation confirmation. Styling accessories and installation are excluded.

**CATALOG DIMENSION NOTE**

Two separate 460 mm (18.11 in) cabinet modules. Overall layout width depends on spacing and the central shelving; confirm the full arrangement with your installer.

**SUPPLIER CONFIRMATION REQUIRED BEFORE INSTALLATION**

Obtain an approved drawing for the ordered configuration: cabinet height where absent; mounting points, fixings and wall-load requirements; water supply, drain and faucet rough-ins; required clearances; mirror voltage, wattage, grounding and applicable electrical ratings. These details are not established by the available catalog pages.

Custom width, depth and height are available by quotation. Do not scale the photograph or use these approximate inch conversions to drill, fabricate, rough-in or order fittings. The installer must review the final technical specification.
